

ABHRS APPLICATION CHECKLIST

Lifetime Achievement Route

Applicant Name: _____

E-mail: _____

- Signed Application
- Passport Type Photograph
- Copy of M.D. or D.O. License
- Affidavit of clear and unrestricted license(s) <https://abh.rs.org/wp-content/uploads/2016Affidavit-Regarding-Clear-and-Unrestricted-Licensure-Form.pdf>
- Current and valid Life Support with External Defibrillator (“BLS/ED”) certification
- Two Reference Letters from physicians who belong to ISHRS and/or ABHRS
- Copy of Curriculum Vitae
- Affidavit of role of hair restoration surgeon <https://abh.rs.org/wp-content/uploads/2016Affidavit-Regarding-ole-of-Hair-Surgeon.pdf>
- AMA, AOA or FCVS Physician Profile Ordered by applicant from the AMA, AOA or FCVS (waived for physicians outside of US)
- Application Fee payable upon submission of application
Note: Examination fees are payable upon approval of application
- 400 Case Logs for preceding eight years (4-5 per month for 96 months / 50 cases per year for 8 years)
For example; if application is dated August 20, 2020 then case log will include cases from
August 2012-July 2013 listing 50 cases August 2016 - July 2017 listing 50 cases
August 2013-July 2014 listing 50 cases August 2017 – July 2018 listing 50 cases
August 2014-July 2015 listing 50 cases August 2018 – July 2019 listing 50 cases
August 2015-July 2016 listing 50 cases August 2019 – July 2020 listing 50 cases*
****The ABHRS Board of Directors approved an exception to the case log requirement and will allow a gap in procedures due to COVID-19 for March, April, May, June 2020 increasing the timeframe to accumulate the cases. In this example above, if you were unable to perform cases for 4 months (from March 2020 thru June 2020) the case log listing can start April 2012 (instead of August 2012) thru February 2020 and then start again July 2020 for a total of 96 months / 400 cases.***
- Operative Reports (50) <https://abh.rs.org/wp-content/uploads/Sample-Operative-Report.pdf>
- Of the 50, 5 must include 10 before and after photos each, photos must be labelled as seen in the examples shown in this link: <https://abh.rs.org/wp-content/uploads/AllPhotoViews.pdf>
